TO WHOM THIS CONCERNS

WE IN THE UNITED STATES HAVE WITNESSED THE OUTSOURCEING OF JOBS. NOW WE ARE WITNESSING THE ATTEMPTED EXPORTING OF A VALUABLE NATURAL RESOURCE - COAL. AMERICA IS FORTUNATE TO HAVE THIS RESOURCE AND IT SHOULD BE USED WISELY.

SINCE MOST COAL FOUND IN THE UNITED STATES WAS FORMED 250-400 MILLION YEARS AGO, IT IS NOT A REALISTICALLY REPLACEABLE NATURAL RESOURCE -- NOT IN OUR LIFETIME, OUR CHILDREN'S LIFETIME, OR THEIR CHILDREN'S LIFETIME.

SHIPPING COAL OVERSEAS TO COUNTRIES WITH LAX ENVIRONMENTAL REGULATIONS RESULTS IN AIR POLLUTION, THAT PREVAILING WIND PATTERNS BLOW BACK OVER NORTH AMERICA. THIS MAKES NO SENSE, ESPICALLY WHEN THE PROFITEERS ARE EITHER AMERICAN COMPANIES, MANY OF WHICH PAY VERY LITTLE IN TAXES, OR FOREIGN COMPANIES WHICH MAY TAKE DOLLARS OUT OF OUR COUNTRY.

IF WE CONTINUE ON THIS PATH OF SELF DESTRUCTION, THERE MAY BE NO RECOGNIZABLE AMERICA LEFT TO PASS ON.

TAKE PRIDE IN AMERICA. SAY NO TO THIS SELF-DESTRUCTIVE SCHEME, AND PROTECT THIS NATURAL RESOURCE, THAT TRULY CAN BE STAMPED - MADE IN AMERICA.
