# SUPPORT FAMILY-WAGE JOBS IN LONGVIEW, WA

Dear Agency Staff,

RE: Millennium Bulk Terminals Environmental Review

I support the proposed port facility in Longview, WA. The environmental review of this project has taken too long and it's time to allow Millennium to invest \$680 million into Southwest Washington.

The new coal export facility will revitalize an old, under-utilized industrial site. Millennium is cleaning up the site and the new project will create hundreds of family wage jobs. Washington can have economic development while still protecting the environment.

The draft EIS for this project is extremely thorough. It's now time to put Southwest Washington to work. Please publish the final EIS quickly and issue the permits.

Thank You,
