

Race within 1-mile of likely coal train routes to the Millennium Bulk Terminal: Spokane, WA

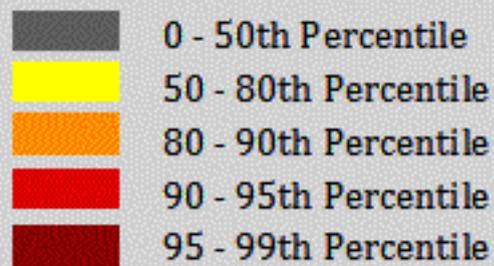

Blast Zone

US DOT 1-mile oil train fire evacuation area

Percent Minority

USEPA EJ Screen v2.3 (2015)
(National Percentile)

	Total Population	Minority Population	Percent Minority	Urban Area Square Miles	Percent Urban Area Inside of the Blast Zone
Within 1-mile Likely Coal Train Route	67,632	10,899	16%	85	23%
Outside of 1-mile of Likely Coal Train Route	387,874	55,824	14%	281	

With 26% of all minorities in the Spokane Urban Area living within 1-mile of likely coal train routes, a person within 1-mile of likely coal train routes is more likely to be a minority than a person living beyond 1-mile of likely coal train routes.

Only 23% of the Spokane Urban Area is living within 1-mile of likely coal train routes, but over 26% of all minorities in the city are living within 1-mile of likely coal train routes.
