My comment is based on the economic future of our community's. For the past 5 years I have lived in Kelso, our local economy and small businesses have taken one economic set back after another

When are we going to stop with this hype about coal dust, noise, and ~~but~~ stop listening to our OF State Environmentalists, attorneys decide our futurers.

Case NOTE! I own a 2001 Freightliner
Show Truck! I park within 10 meters of
the BNSF train tracks, I have NO COAL
DUST settling on my truck's hood, Cab,
windshields, entry steps! NO COAL DUST!
IF the dust is so bad how come my ~~Peterbilt~~
~~227~~ ~~227~~ Custom truck is still clean?

Is it a fact OR a lie?
