## PLEASE SHARE YOUR COMMENTS BELOW:

I live in Missoula MT. Trains going through my town will cause environmental problems, will cause noise pollution, will restrict access to emergency services, and provide no economic benefits. The problems are amplified across the state in smaller communities around rail lines. There is no possible way that a small economic boost to a small town in Washington is worth the environmental, health <sup>quality</sup> and economic degradation to the other states effected by this coal terminal, not to mention

(comment continued) (additional space is provided on the back)

the world as a whole.
