

Energy Action Coalition Comment Language:

To: Washington State Department of Ecology

From: _____

I support the "no action" alternative for Millennium Bulk Terminals' facility in Longview, WA. Millennium's proposed coal export terminal would harm our community health and safety, air and water quality, and natural resources. Please make the right choice for our climate, our environment, and the health of communities in the Pacific Northwest. I urge your agencies to protect our region and say no to coal exports in Longview.
