

2016 COAL EXPORT HEARINGS:

Pledge to make your voice heard on Millennium Bulk Terminals

SEATTLE WA 98100
DEPT OF ECOLOGY AND COWLITZ COUNTY
Dear US Army Corps of Engineers, WA Dept. of Ecology, and Cowlitz County:

I support the "no action" alternative for Millennium Bulk Terminals' facility in Longview, WA. Millennium's proposed coal export terminal will harm our community health and safety, air and water quality, and natural resources. I urge your agencies to protect our region and say no to coal exports in Longview.

YES! I want to attend the hearing. Please contact me with all the details.

YES! I want to volunteer!

Unfortunately, I can't come to the hearing, but I support efforts to protect Washington and Oregon communities from dirty coal exports. I join thousands of Northwest families calling on state leaders to take a stand and say no to Millennium Bulk Terminals.

Signing this postcard makes you a participant in the Power Past Coal community. As a participant, you will stay informed and involved in the latest coal export news, information and action alerts.
