 Marine Species, Fish, or Fisheries  
 Wetlands or Streams  
 Water Quality  
 Other Natural Environment Topic

#### EIS Process

- Alternatives  
 EIS Regulatory Process  
 Other EIS Process Topic

## PLEASE SHARE YOUR COMMENTS BELOW:

① There's too much asthma in Longview already — one of the highest in the state. Coal particles will not help.

-transportation costs will already strain the local networks, contrary to Burlington Northern comments. A bridge must be built over train crossings at local government expense? who knows?

My last concern is a low priced lawyer for the County Commissioners making decisions against the moved Millennium.
