 Marine Species, Fish, or Fisheries  
 Wetlands or Streams  
 Water Quality  
 Other Natural Environment Topic

#### EIS Process

- Alternatives  
 EIS Regulatory Process  
 Other EIS Process Topic

## PLEASE SHARE YOUR COMMENTS BELOW:

For obvious environmental reasons it would be ludicrous to add more pollutants to an already saturated air quality problem.

I understand people desire jobs but the problem is they would never be able to sell their house

when ~~all~~ all of Longview/Kelso would be covered in soot. It has happened in other coal export towns + there's no reason it wouldn't happen here.
