- Plants and Animals
- Marine Species, Fish, or Fisheries
- Wetlands or Streams
- Water Quality
- Other Natural Environment Topic

EIS Process

- Alternatives
- EIS Regulatory Process
- Other EIS Process Topic

PLEASE SHARE YOUR COMMENTS BELOW:

If we don't move this coal to China, they will burn a very dirtier coal. 70% of all weather in the U.S. come into the NW part of our country. This will bring this pollution to Washington as a major health issue. Please look into all statements made, because some of them are half truths or outright lies.
