The "COAL" is a "BAD" thing all around!!!. The only one who is making any money is "Warren Buffet", and he is old and ready to die anytime... so he doesn't "care" about anyone's "Health" or "fish"!!!

There has been 2 (Two) Train accidents here this past year, where they landed on their sides. What happens when one lands in the Columbia River???. People tonight were stating, that they worked around coal for many years and are not "SICK" yet!!! Well, it's only a "matter of time"!!! Look at Handford look at how many years it took for the "Handford"

(additional space is provided on the back)
