 Other Human Environment Topic

Natural Environment

- Plants and Animals
 Marine Species, Fish, or Fisheries
 Wetlands or Streams
 Water Quality
 Other Natural Environment Topic

EIS Process

- Alternatives
 EIS Regulatory Process
 Other EIS Process Topic

PLEASE SHARE YOUR COMMENTS BELOW:

This was already commented upon online. We need to look at engineering of rail lines, NPDES sampling and mylar glove bag sampling. This should all part of the EIS. I am fully supportive of cultural studies and even how this would affect salmon recovery, as well as the Columbia Gorge as part of a national resource, so please do this as a full study.
