My name is Robert Camarillo, and I represent over five hundred working men and women that live throughout Oregon & SW Wash. They are all members of Iron Workers Local #29. I can assure that they all enjoy the great outdoors that this part of the country has to offer. We would like you to please ~~st~~ authorize this project and allow it to move forward. We need good paying jobs in that area of Washington. They have over 10% unemployment rate. The people of Longview deserve this project, so they can earn a decent living, and enjoy the outdoors.
