

PUBLIC SCOPING MEETING COMMENT FORM

Please submit your comments on the Millennium Bulk Terminals – Longview Environmental Impact Statement by November 18, 2013 in order to ensure your comment is included in the scoping summary report. Comments can also be submitted online at <http://www.millenniumbulkeiswa.gov>.

To whom would you like to address your comments?

- All Agencies (NEPA and SEPA) US Army Corps of Engineers (NEPA) Cowlitz County and the Washington State Department of Ecology (SEPA)

Does your comment relate to one of the following areas?

Human Environment

- Noise
 Air Quality
 Human Health
 Transportation
 Other Human Environment Topic

Natural Environment

- Plants and Animals
 Marine Species, Fish, or Fisheries
 Wetlands or Streams
 Water Quality
 Other Natural Environment Topic

EIS Process

- Alternatives
 EIS Regulatory Process
 Other EIS Process Topic

PLEASE SHARE YOUR COMMENTS BELOW:

This project should NOT be allowed to proceed due to the serious environmental consequences – both human and natural – it will have throughout the areas through which the numerous, long trains would travel. Coal dust in great amounts will escape from the trains' cars; vehicular traffic in many urban and rural areas will be greatly disrupted continuously throughout the day; train noise will disturb the sleep of many residents, including our family which lives a mile from the planned train route; air

(comment continued)

quality will be degraded due to the increased level of diesel exhaust that will be emitted, which will negatively impact the health of residents who live along or near the rail tracks.

Thank you for considering my comments
