As a grand uncle and a world citizen and traveler  
I weep for the world. Our great Pacific NW  
is an amazing and precious place that needs  
to be protected with all care for the next  
SEVEN generations and beyond. Young people and  
the unborn need us to stand up for them  
NOW and forever. Let not be ~~degraded~~ changed  
by short term + unsustainable solutions with  
no viable future. Jobs are VERY important  
but WATER & AIR are even more important!  
We can't eat coal or money or drink pollutants  
(additional space is provided on the back)
