IMPACT on our TOURIST BUSINESS as we become a fossil fuel highway. Impact on wheat fields, vineyards, recreational businesses as we destroy slowly our planet's beautiful NW. ^{This is a} Short sighted gain when technology has many alternatives for a long range gain. Can someone consider the lives affected rather than the livelihood of a few. Please consider your children's quality of life and who will pay the medical bills of the increase in asthma and other pollutants. Listen to the young people please. They do not want this. We do not want this.
