#### Natural Environment

- Plants and Animals
- Marine Species, Fish, or Fisheries
- Wetlands or Streams
- Water Quality
- Other Natural Environment Topic

#### EIS Process

- Alternatives
- EIS Regulatory Process
- Other EIS Process Topic

## PLEASE SHARE YOUR COMMENTS BELOW:

I oppose the # of coal trains that are planned for this project. Even with the open cars sprayed with surfactant - a large amount of coal dust will be deposited along the many miles of tracks - this will be washed into small streams then larger streams and rivers - also picked up by wind and inhaled by all the people living close by the tracks
