**NOW'S THE TIME TO ADD YOUR VOICE,
SAY NO TO COAL TRAINS.**

Dear Army Corps, Department of Ecology, and Cowlitz
County Commission:

I believe that the Northwest can do better than dirty
and disruptive coal exports from Millennium's proposed
coal export terminal in Longview. This proposal would
hurt my community by increasing traffic, delaying
emergency response vehicles, harming our families'
health, and damaging existing businesses. I strongly
urge you to consider these threats in the scope of the
Environmental Impact Statement.
