loss of fish - loss of crab-shellfish.
plant life. The Nisqually People are the
home of the Medicine Water - we have the
most pristine river in WA State. We enhance
our own lands, and fish, shellfish, ^{our Nisqually} River.

Do an EIS scoping of the Earthquake
Faultline that runs through Nisqually.
The Puget sound faultline needs to be considered.

Do an EIS scoping of the Derailments that
happened in Nisqually Valley of Thurston
County.

Do an EIS scoping of the Treaty Rights
My people are entitled to under the
Medicine Creek Treaty of 1854.

The Judge Boldt Decision protects
our rights to 50% of fish & shellfish
and hunting.

Coal Exporting infringes on that
right.

We own the land by the Puget Sound.
