 Marine Species, Fish, or Fisheries  
 Wetlands or Streams  
 Water Quality  
 Other Natural Environment Topic

#### EIS Process

- Alternatives  
 EIS Regulatory Process  
 Other EIS Process Topic

## PLEASE SHARE YOUR COMMENTS BELOW:

The possibility of devastation related to coal exports should give you pause.

PAUSE.

PAUSE.

The effects of coal dust will be felt by the fish and other marine animals in Puget Sound. And that's if everything goes well. If there are accidents and there are ALWAYS accidents, it will be worse.

Do the EIS, do it right and don't let the trains in here.
