- Plants and Animals
 Marine Species, Fish, or Fisheries
 Wetlands or Streams
 Water Quality
 Other Natural Environment Topic

EIS Process

- Alternatives
 EIS Regulatory Process
 Other EIS Process Topic

PLEASE SHARE YOUR COMMENTS BELOW:

According to the posted signage "Why an Environmental Impact Statement?" it is stated that an "(EIS) is necessary if a proposal is likely to significantly affect the quality of the human environment."

This project will contribute to global climate change. Will the affect on the human environment be "significant?" Whether you judge it significant or not, it will contribute.
